Experience

March 2022 to Present

Repair and Craft Wizard

Something Vintage Rentals (Temple Hills, MD)

Repairing damaged inventory, from bars to upholstered vintage couches for rent. Using multiple methods and techniques, including reupholstery, carpentry, and refinishing. Managing the list of damaged inventory pieces; updating the list, assigning future events to ensure priority is kept up, detailing problems and progress. Applying wallpaper and graphics to bars and backdrops as needs for events. Develop prototypes for the Operations team or for new inventory as needed such as custom-made lampshades and acrylic napkin rings.

September 2021 to March 2022

Brand Operations Manager

Victoria's Secret (Baltimore, MD)

Customer service by aiding purchasing bras, lingerie, sleepwear and athleisure. Training and roleplaying with store associates in how to assist customers and sell the customer the best deal and fit for them. Meeting weekly store goal in credit card applications. Managing a store of up to seven employees at a time. Ensuring that the front of the store was stocked with what we had in the back. Ensuring that displays had the correct mannequin sizes and wearing the correct styles. Inventory counts. Handling and counting cash for deposits.

November 2019 to September 2021

Assistant Store Leader then Store Leader

GameStop 0966 & 4233 (Bel Air, MD)

Customer service by aiding in the purchasing of games, accessories, gaming systems and collectibles. Training and roleplaying with store associates in how to assist customers and sell the customer the best deals for them. Scheduling of employees. Managing a store of up to five total employees. Attending District meetings weekly. Interviewing and hiring associates. Inventory counts. Handling of cash and depositing money to the bank.

February 2020 to March 2020

Scenic Artist

Revolution LLC. (Baltimore, MD)

Working in a shop of up to seven, painting and staining flats, furniture and props. Using a combination of rolling, brushes and electric air sprayer. Working with other painters to set up and take down projects and get them ready to be shipped out to site.

June 2016 to May 2019

Props Artisan

Playmakers Repertory Company (Chapel Hill, NC)

Working in a shop of three, in the acquisition, pulling and construction of props for 10 productions a season. Maintaining a clean and safe environment in the Props Shop and various Props Storages. Mentoring and working with up to ten work study students. Assisting in loaning of props to various theatres and student groups.

August 2013 to May 2016

Props Master

Northern Stage (White River Junction, VT)

Creating, purchasing, pulling and constructing of props for six productions. Budgeting and purchasing. Often responsible for creating the props list and coordinating it with the stage management and the set designer. Working directly with set designers and directors to produce their vision for the productions. Responsible for the creation of a new hand props storage and prop shop when the company moved into its brand-new building in the summer of 2015. Mentored one props intern. Handling of rentals and loans for props.

Props Assistant

Assisting the Props Master in creating, purchasing, and finding props for five productions. Maintaining a clean and safe environment in the Props Shop and various Props Storages.
